ELIMINATES MARIJUANA ODORS

DIRECTIONS FOR USE AS A "TOTAL RELEASE FOGGER":

Eliminate all ignition sources. Close doors and windows. Spread a newspaper, rag or towel on the floor in an open area with no overhead obstruction. Remove the cap, snap the actuator in place to activate the fogger and immediately place it on the protected floor area. Get out and close the door immediately. For best results, leave room undisturbed for 1-2 hours, then run air conditioning or heat for proper ventilation prior to occupying the room.

CAUTION: This can contains ingredients which may react with certain plastic materials. Use caution when applying this product around plastic. Assure that there is no overhead obstruction like a lamp and at least 8-10 inch clearance around the can. User assumes 100% liability for use of this product.
