

HAND CLEANER CHERRY LIME PUMICE

Mano Limpiador Azul Pierre Ponce

DESCRIPTION:

An essential hand cleaner for those hands that are really dirty. Ideal for removing printers ink, heavy grease, encrusted grime, soil, embedded paint, and many other stains, floating it away from the pores. Contains skin conditioners to protect hands from drying, cracking and chapping, leaving a soothing and protecting film of lotion which keeps your hands from feeling raw or dry from over scrubbing. Contains a blend of the highest quality surface cleaners combined with the finest mild abrasive pumice to help loosen and lift embedded soil. Has an excellent fragrance.

CAUTIONS:

DO NOT TAKE INTERNALLY. PROTECT FROM FREEZING.

DIRECTIONS:

Put a small amount of product on hands, rub until liquefied, remove with cloth or rinse off with water.

EASILY REMOVES:

Paint, ink carbon, asphalt, adhesives, oil, cements, grease, resins, shellac, grime, tar glue, graphite.

ADVANTAGES:

- No strong solvents
- Mildest abrasive
- Contains skin conditioners
- Liquefies grease immediately
- Easily rinsed off
- Leaves pleasant odor on hands.
