CHEMICAL

WELCOME TO BRODY CHEMICAL

Brody Chemical began operations in Salt Lake City, Utah in 1975. Since then, the company has grown from a small local company to one that provides superior products and services to over half of the United States. Brody's success is attributed to its commitment to create innovative and highly effective products—manufactured under strict quality control standards, a responsive technical support team, and a professional, well-trained, service-driven sales force. Brody Chemical's comprehensive product line boasts over 600 different formulations of sanitation, institutional, industrial and maintenance chemicals for professional use. Reducing the risks associated with chemical usage and disposal, avoiding depletion of the Earth's natural resources, and enhancing the safety and work environment for clients are core values of Brody Chemical.

ALL PURPOSE CLEANER

VERY CONCENTRATED

This product is a free-rinsing, neutral, non-toxic, all-purpose, synthetic liquid detergent. It is a concentrated, chemically balanced cleaner that first wets the soil by surrounding grease, grime and dirt. Second, it penetrates these soils and breaks them into small particles. Third, grease and oils are emulsified. Finally, soil-suspending ingredients float away dirt and grime, leaving a clean surface.

ALL PURPOSE CLEANER AEROSOL

HIGH FOAMING

All Purpose Cleaner Aerosol is a high-foaming, clinging formulation, containing ammonia that instantly attacks and loosens dirt, fingerprints, smudges, oils and greases from most hard surfaces. It is non-abrasive and works especially well on painted surfaces, ceramic tile, porcelain and Formica. It is also excellent for leather, vinyl and plastic surfaces. Use in restaurants and food service operations. USDA approved.

BACTERIA CONCENTRATE

800 BILLION PER GALLON

Bacteria Concentrate is a multiple, spore-blend concentrate designed for use as a base culture in the formulation of biological based products. Bacteria concentrate is designed specifically to improve the bioenzymatic liquification and digestion of organic waste. This concentrate promotes the rapid breakdown of organic matter in applications where accelerated enzymatic reactions are desired, such as in drain lines, grease traps and waste degrading applications. Bacteria Concentrate is highly recommended for drain lines and grease trap treatment and maintenance in restaurants and food plants. USDA approved.

CARPET SPOTTER AEROSOL

NEW MIRACLE PRODUCT

This aerosol is a powerful carpet stain and spot remover. It contains strong cleaners and degreasers to remove stains caused by dirt, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. An upside-down spray valve produces a focused, concentrated stream allowing for easy, spot-on application without heavy overspray. Spray Carpet Spotter directly on spill or stain and then remove the spot with a towel.

DIAMOND SOLID RINSE AID

CONCENTRATED SOLID RINSE

Diamond Solid Rinse Aid is formulated to work effectively in rinse water of both high and low temperature warewash machines. Its formulation contains a highly effective combination of defoamers and wetting agents which decrease drying time. It is extremely concentrated; only 1 part in 80,000 parts of water leaves dishes, glasses and flatware spot and streak free.

DISHMACHINE DELIMER

ALKALINE RESIDUE DESCALER

This product is a blend of inorganic acids, detergents, wetting agents and rinse conditioners, which dissolve and remove alkaline residues from stainless steel dishwashing machines. By removing detergent residues from all internal spray nozzles and surfaces, equipment efficiency is restored and proper flow of detergent, rinse and sanitizer is maintained.

DISHMACHINE DESCALER

CLEANS SCALE AND CORROSION

Dishmachine Descaler is a concentrated blend of inorganic acids, detergents, wetting agents and rinse conditioners. Regular use of this product will dissolve alkaline residues and hard water scale from chrome, stainless steel, glass, and cooking equipment, eliminating expensive, time-consuming, cleaning procedures. By removing detergent residues and scale from all internal spray nozzles and surfaces of dish machines, equipment efficiency is restored and proper flow of detergent, rinse and sanitizer is maintained. This product is non-flammable, biodegradable, free-rinsing and highly concentrated for maximum economy.

DISINFECTANT FOAM AEROSOL

QUATERNARY GERMICIDAL

This water-based hospital product contains no abrasives to damage porcelain surfaces. It cleans, disinfects and deodorizes in one easy step. No need to use a three-step method anymore. Staph, Salmonella, Pseudomonas and AIDS virus are killed on hard surfaces when used as directed. In addition to porcelain, this product can be used on such surfaces as tile, metal, stainless steel, bathtubs, walls and similar surfaces. Excellent for disinfecting food contact areas in restaurants.

DISINFECTANT/SANITIZER

BACTERICIDE AND VIRUCIDE

This liquid quaternary germicidal is specially designed for restaurants, food processing plants, meat departments, bakeries, hospitals, dairies, bars and institutions where disinfection, sanitization and deodorization are primary concerns. Formulated to disinfect pre-cleaned, inanimate, hard surfaces such as walls, floors, sink tops, tables and chairs. Disinfectant/Sanitizer can be used as a rinse on floors, walls, food, tables, etc. USDA approved.

DISINFECTANT SPRAY AEROSOL

PHENOLIC GERMICIDAL

This powerful hospital type disinfectant/deodorant acts quickly to control 14 disease organisms, including Pseudomonas aeruginosa, Tubercle bacilli, Staphylococcus aureus, and the herpes Simplex Type 1 virus (the cause of cold sores in humans). In addition, it inhibits the growth of mold and mildew for 7 days on hard surfaces and 28 days on fabric. Disinfectant Spray Aerosol can be used as both a surface and space spray

DRAIN OPENER LIQUID

VERY CONCENTRATED LIQUID

This product keeps toilets, urinals, grease traps, septic tanks, cesspools, pipes and drains running free and clean. It is a concentrated liquid, powerful enough to dissolve sanitary napkins, cloth, grease, hair, tea bags, peelings, cigarette filters, cellulose and floor cleaning agents. Drain Opener Liquid contains special inhibitors to protect metal and plastic pipes. Packaged in quarts, 12 per case.

DRAIN OPENER POWDER

POWDERED SEWER SOLVENT

This product is a combination of chemical and metallic chips which reacts with water to create considerable heat and agitation. Readily dissolves greasy deposits, hair, vegetables and other materials containing a high percentage of cellulose that blocks normal water flow in sewer systems, grease traps, septic systems, and industrial drains. Particularly effective for systems in food processing and meat packing plants where accumulation of organic matter tends to clog drainage facilities and produce strong unpleasant odors.

ECONOMY SILVERWARE PRE-SOAK

REMOVES TARNISH

This product is a blend of surfactants, wetting agents, cleaners and powerful detarnishing agents. It will pre-soak away all food and tarnish from utensils, making them easier to clean through the automatic dishwasher. Our product can also be used to clean and detarnish pots and pans, coffee cups and any other kitchen equipment that is dirty or tarnished.

FAT FRYER CLEANER

EMULSIFIES BAKED-ON GREASE

This product breaks down food residues, while it emulsifies heavy, baked-on grease and oil deposits. It quickly removes even weeks of heavy buildup of grease and oil. Baked on food and grease in deep fat fryers can contaminate expensive cooking oils. Use Fat Fryer Cleaner to cut down labor costs of hand scrubbing and to extend the life of cooking oils. USDA approved.

FOOD PLANT DEGREASER

ALL SURFACE CLEANER

This non-butyl, heavy-duty cleaner contains special properties allowing for deep penetrating and emulsifying action. These ingredients suspend debris in solution so it is rinsed away rather than re-deposited on cleaned surfaces. Food Plant Degreaser dissolves grease and dirt by positive emulsion; oils, dirt and greases are actually emulsified into the water resulting in more thorough cleaning. USDA approved.

FREEZER CLEANER

SUB-FREEZING TEMPERATURES

Freezer Cleaner is designed to clean refrigerated and freezing areas; specifically, areas that do not allow conventional water-based cleaners to function. Because of its low freezing point and excellent solvency and detergency, Freezer Cleaner will clean food, soil, and greases in all low-temperature areas. Use for frozen food lockers, meat, produce, and frozen displays. Very good for cleaning floors and walls. USDA approved.

FRESH N CLEAN

MULTI-PURPOSE CLEANER

This Multi-Purpose Cleaner cleans and leaves a long lasting pleasant fragrance. It leaves no residue, so rinsing is not necessary. This product is totally biodegradable, and works in any water temperature in hard or soft water leaving no film, scum or soap deposits. It will not harm any surface not harmed by water.

FRESH N CLEAN AIR FRESHENER

ELIMINATES ODORS

Bring a breath of fresh air to your facility with this light and airy fresh n clean scent. The delicate floral notes of lavender will remind you of the spring season as you rejuvenate and refresh all household items including clothing, fabrics, and furniture. Fresh N Clean Air Freshener will help eliminate tough odors and ward off unwanted smells providing a refreshing scent that will last for days.

FRESH N CLEAN HEAVY DUTY CLEANER

POWERFUL CLEANER

Fresh N Clean Heavy Duty Cleaner is a heavy duty spray and wipe cleaner. It is specifically formulated to remove grease, oil, encrusted soil, tire marks, ink, smoke, carbon film, heel marks, and more from a variety of surfaces. This powerful cleaner features a concentrated heavy duty formula that has a wonderful Fresh N Clean scent. Leaves surfaces looking and smelling clean. This powerful Heavy Duty Cleaner requires no rinsing, leaves no residue and is ideal for use on surfaces such as vinyl, stainless steel and other surfaces not harmed by water, including most walls, floors, kitchen equipment and more.

**FRESH N CLEAN MULTI-PURPOSE
CLEANER CONCENTRATE**

ACTIVE INGREDIENTS ONLY

This product was developed to save money and shipping costs for our customers. Our regular product contains surfactants, detergents and emulsifiers. It also contains 89% water. Our chemists have developed a way to take out all of the water and leave just the active ingredients. By eliminating the water from a 55 gallon drum of our regular product, you end up with 6 gallons of active ingredients. By adding (11%) of raw materials to 49 gallons (89%) of water, you are actually making your own 55 gallon drum of product that can be diluted even further.

**FRESH N CLEAN NON-ACID
BATHROOM CLEANER W/PEROXIDE**

COMPLETELY SAFE

Fresh N Clean Non-Acid Bathroom Cleaner is a very powerful cleaner that is completely safe and easy to use. This product replaces acids and acid blend cleaners to take care of a large variety of cleaning applications. It is ACID FREE, 100% biodegradable, not-toxic, safe for the environment, non-flammable and user friendly. This product quickly removes stubborn calcium deposits on shower walls and fixtures, soap scum, mildew, grease and other difficult to remove soils.

**FRESH N CLEAN NON-ACID BATHROOM
CLEANER SUPER W/PEROXIDE**

POWERFUL CLEANER

Fresh N Clean Non-Acid Bathroom Cleaner Super is a very powerful cleaner that is completely safe and easy to use. This product replaces acids and acid blend cleaners to take care of a large variety of cleaning applications. It is ACID FREE, 100% biodegradable, not-toxic, safe for the environment, non-flammable and user friendly. This product quickly removes stubborn calcium deposits on shower walls and fixtures, soap scum, mildew, grease and other difficult to remove soils.

**FRESH N CLEAN SUPER
MULTI-PURPOSE CLEANER**

TOTALLY BIODEGRADABLE

This Super Multi-Purpose Cleaner cleans and leaves a long lasting pleasant fragrance. It leaves no residue, so rinsing is not necessary. The product is totally biodegradable, and it works in hot or cold, hard or soft water with no film, scum or soap deposits. It will not harm any surface not harmed by water.

GLASS & MULTI-SURFACE CLEANER

WILL NOT STREAK

This product quickly removes dirt, smudges, water spots, lipstick, hair spray etc., without streaking. It cuts cleaning costs for motels and hotels, hospitals, nursing homes, schools, churches, office buildings, stores, industrial facilities, car yards, taxi fleets, etc. It is excellent for all types of light duty cleaning, including Formica, Tile, Plastics, Stainless Steel, Aluminum, Wood, Plexiglas, Chrome and Painted Surfaces.

GLASS CLEANER AEROSOL

FAST FOAMING ACTION

Fast foaming action quickly surrounds and lifts soils such as lipstick, oil, grease, bugs, dust, dirt and other foreign matter. This pleasantly scented cleaner works equally well on glass, metal and other non-porous surfaces. This exclusive formula dries rapidly, leaving a clean surface, free of streaks, with no hazy after-film. It is the best aerosol cleaner available.

GRANULAR ODOR CONTROL

GARBAGE DUMPSTERS

Granular Odor Control contains exclusive Metazine odor-destroying additive. This powerful product is formulated to handle even the toughest odors from restaurant, institutional, commercial and municipal waste. This product offers an effective solution to odor problems from trash containers, garbage dumpsters and compactors. USDA approved.

GREASE TRAP SOLVENT

ELIMINATES ODOR AND GREASE

Grease Trap Solvent is a powerful and efficient emulsifying agent designed for liquefying animal fats, garbage grease, grease traps and drain lines for maximum performance. This product maintains these facilities in good operating condition, eliminating odors, overflowing, and unsanitary conditions resulting from poor drainage caused by slime and grease. Non-caustic, harmless to plumbing. Use Grease Trap Solvent for an excellent cleaner and deodorizer for garbage cans, storage areas, and refuse trucks. USDA approved.

GRILL CLEANER

GRIDDLE AND FRYER CLEANER

This product is specially formulated for deep cleaning grills and deep fat fryers. It is the fastest and most effective way to clean and maintain this type of equipment. It costs less per application and is much easier than either bricks, screens or other chemicals. With minimal contact time, special agents soften and penetrate baked-on foods, allowing for re-emulsification of fats and greases.

HEAVY DUTY CLEANER

SUPER CONCENTRATED

Heavy Duty Cleaner represents the latest technology in concentrated heavy duty cleaning liquids. This fast acting formulation quickly penetrates and emulsifies the toughest industrial and institutional soils. This product is ideally suited for cleaning a wide variety of soil types from most hard durable surfaces without leaving any sticky, filmy residue. Heavy Duty Cleaner is a great choice for use with pressure washers, steam cleaners, floor scrubbers and manual mopping operations.

HIGHTEMP DISHMACHINE DETERGENT

HIGHTEMP DETERGENT

This product is an economical liquid product that is formulated to be used with either low temperature dishwashing machines (using a sanitizer) or high temperature dishwashing machines with a dishmachine detergent only. This product is very concentrated and very economical to use. Our product is formulated with a special ingredient that prevents the white, alkaline residue that generally builds up inside your dishwashing machine.

ICE MACHINE DESCALER

DISSOLVES WATER DEPOSITS

Ice Machine Descaler is a liquid product that cleans and dissolves water scale deposits in ice machines, simplifying the cleaning process. Spray on, allow for minimal contact time, and easily flush water deposits away. This product has been recommended by manufacturers for use on Scotsman, Minitowoc, Sunbeam, Vogt, Howe and other ice-making machines. USDA APPROVED.

INSTITUTIONAL BLEACH 6%

6% CHLORINE BLEACH

This product is a stabilized liquid Chlorine bleach designed for institutional use.

KITCHEN DEGREASER

INDUSTRIAL STRENGTH

This product is a heavy-duty, water-soluble degreaser. It is safe and effective on all washable surfaces for removing soils such as carbon, creosote, dyes, grease, ink, mildew, oil and wax. This formulation also contains a rust inhibitor to retard corrosion of metals. Fireproof, acid-free and gives off no dangerous fumes. Kitchen Degreaser is very concentrated and can be diluted up to 20:1 with water for greater economy. An excellent all-around cleaner for restaurants, food service areas and processing plants. USDA approved.

KWIK SILVER SOLID FLATWARE PRE-SOAK CONCENTRATED BLOCK

Kwik Silver is an alkaline detergent block designed for pre-soaking and detarnishing flatware. It contains both alkaline ingredients and a combination of surfactants to provide rapid penetration of hardened food soils and removal of discoloring films. Dual enzyme activated system for digestion of stubborn food soils.

LIQUID HAND SOAP

PLEASANT FRAGRANCE

This product is formulated with 100% natural ingredients and scrubbing agents that will not dry out or crack skin. Special emulsifiers quickly cut through the ground-in dirt and grime and hold them in suspension until rinsed with water. Leaves hands soft and supple.

LIQUID LIVE BACTERIA

INSTANT ODOR CONTROL

Liquid Live Bacteria, convenient liquid form of living bacterial suspension, promotes the decomposition of organic matter, grease, fats, carbohydrates, and sewer wastes without the use of harmful acids, alkalis or solvents. This product is recommended for use in drain lines, grease traps, bathrooms, urinals and septic tanks. Use Liquid Live Bacteria as a regular maintenance product to keep waste matter in a free flowing liquid and to reduce the occurrence of odors. USDA approved.

LOW TEMP DISHMACHINE DETERGENT LOWTEMP DETERGENT

This product is an economical liquid product that is formulated to be used with low temperature dishwashing machines (using a sanitizer). This product is very concentrated and very economical to use. Our product is formulated with a special ingredient that prevents the white, alkaline residue that generally builds up inside your dishwashing machine.

MAX SOLID POT & PAN DETERGENT **CONCENTRATED CAPSULE**

The most concentrated pot and pan detergent on the market today. A mildly scented, manual ware wash block designed for use with automatic dispensing equipment. One capsule will go much further than any liquid or powder. It cuts grease fast and has the ability to suspend heavy soils and greases while providing rich, long lasting suds. **CAUTION:** Contains anionic and nonionic surfactants. Can cause eye and skin irritation. Harmful if swallowed.

OVEN CLEANER **REMOVES BAKED-ON GREASE**

This product was developed to clean and degrease areas where food is prepared, consumed or handled. Oven Cleaner is non-flammable, biodegradable, noncorrosive and non-toxic in diluted form. It contains a special rust inhibitor for protection of iron and steel. Oven Cleaner removes all soil types, by chemically emulsifying and dissolving grease, grime, carbon and dirt. This product is unique because it will remove carbon, grease, grime, dirt, candy and coffee stains, fruit and food stains, liquor, lipstick, milk, oil, rust, soap scum, syrup, tea, tobacco, wine, etc. USDA approved.

OVEN CLEANER AEROSOL **HEAVY-DUTY FORMULA**

Oven Cleaner Aerosol's heavy-duty formula cleans fast and effectively in both warm and cold ovens. Works equally well on pots, pans, french fry baskets, rotisseries, outdoor grills, and cleans stainless steel to a bright new luster. This aerosol is convenient, easy to use and excellent for quick cleanup in all restaurants and other areas where food is prepared.

OVEN AND GRILL CLEANER (PINK FURY) **REMOVES BAKED ON FOOD**

This product was developed to clean and degrease areas where food is prepared, consumed or handled. Oven Cleaner is non-flammable, biodegradable, noncorrosive and non-toxic in diluted form. It contains a special rust inhibitor for protection of iron and steel. Oven Cleaner removes all soil types, by chemically emulsifying and dissolving grease, grime, carbon and dirt. This product is unique because it will remove carbon, grease, grime, dirt, candy and coffee stains, fruit and food stains, liquor, lipstick, milk, oil, rust, soap scum, syrup, tea, tobacco, wine, etc. USDA approved.

PATRIOT

SOLID DISH MACHINE DETERGENT

Patriot Dish Machine Detergent Solid is designed to remove the heaviest food soils from dishes, utensils and cookware. Outstanding cleaning performance in both high temperature and low temperature dish machine. It is Phosphate-free and aluminum safe.

POT & PAN SOAP (EMERALD)

CONCENTRATED LIQUID

Pot & Pan Soap (Emerald) is a highly concentrated manual pot, pan and dishwashing detergent that is pH balanced to be gentle on hands.

POT & PAN SOAP

CONCENTRATED LIQUID

Pot and Pan Soap's special penetrating ingredients dissolve the toughest greases on pots and pans using hard or soft water. Durable, long-lasting suds keep grease and oil suspended away from dishes. This liquid formulation contains special surfactants and emollients to keep hands soft and prevent skin from drying out, as well as a special antiseptic ingredient to combat skin irritations. This product is free rinsing to alleviate soap scum.

RESIDUAL INSECTICIDE AEROSOL

CHERRY FRAGRANCE

Residual Insecticide is the most effective method of controlling infestations of ants, brown dog ticks, fleas, carpet beetles, chiggers, crickets, flying moths, mosquitoes, roaches, silverfish, spiders and other resistant insects. The exclusive dual action nozzle permits the choice of a broad spray pattern for baseboard use plus a narrow stream for crack and crevice treatment. The residual killing action continues for weeks after original application. Pleasant cherry fragrance.

RINSE ADDITIVE

SPOT-FREE DISHES

This product is a highly concentrated drying agent for the final rinse of all commercial automatic dishwashing machines. This product eliminates the surface tension of rinse water, removes soap and mineral deposits allowing detergents and rinse water to drain freely. Its fast drying action prevents water spotting. This product is noncorrosive to machines, effective in the hardest of water, harmless to hands, dishes, glasses, utensils and is non-toxic in dilution form.

RINSE ADDITIVE (HARD WATER)

ELIMINATES WATER SPOTTING

This product is a highly concentrated drying agent for the final rinse of all commercial automatic dishwashing machines. This product eliminates the surface tension of rinse water, removes soap and mineral deposits allowing detergents and rinse water to drain freely. Its fast drying action prevents water spotting. This product is noncorrosive to machines, effective in the hardest of water, harmless to hands, dishes, glasses, utensils and is non-toxic in dilution form.

RINSE ADDITIVE PLUS

ELIMINATES WATER SPOTTING

This product is a highly concentrated drying agent for the final rinse of all commercial automatic dishwashing machines. This product eliminates the surface tension of rinse water, removes soap and mineral deposits causing detergents and rinse water to drain freely, its fast drying action prevents water spotting. This product is noncorrosive to machines, effective in hard water, harmless to hands, dishes, glasses, utensils and is non-toxic in dilution solution.

SANITIZING HAND GEL

MEETS OSHA STANDARDS

Sanitizing Hand Gel has been developed to meet OSHA standards for bloodborne pathogens. It is used to sanitize between hand washings in areas where blood contamination is possible such as hospitals, nursing homes, care centers, emergency rooms, ambulances, police vehicles, jails, etc. It is also recommended to be used in all food processing and food service areas such as packing plants, dairy farmers, restaurants, etc. USDA approved.

STAINLESS POLISH AEROSOL

LEAVES A BRILLIANT SHINE

Stainless Polish Aerosol has been formulated to clean and polish all types of stainless steel without leaving a greasy film. This convenient aerosol produces light foam that clings to vertical surfaces, soaks and penetrates dirt, grease, fingerprints, etc. With minimum wiping, the stainless steel surface will have a brilliant shine. Stainless Polish is an excellent product for all stainless steel in food service areas. USDA approved.

ABOUT BRODY CHEMICAL

Brody Chemical sells and provides service to over 50,000 customers in a variety of industries including manufacturing, industrial, mining, automotive, institutional, hospitality, trucking, food and beverage, agricultural, and medical. Brody Chemical's sales representatives are trained to offer technical assistance and recommendations in selecting solutions and cleaning processes that best meet the needs of clients.
