WELCOME TO BRODY CHEMICAL

Brody Chemical began operations in Salt Lake City, Utah in 1975. Since then, the company has grown from a small local company to one that provides superior products and services to over half of the United States. Brody's success is attributed to its commitment to create innovative and highly effective products—manufactured under strict quality control standards, a responsive technical support team, and a professional, well-trained, service-driven sales force. Brody Chemical's comprehensive product line boasts over 600 different formulations of sanitation, institutional, industrial and maintenance chemicals for professional use. Reducing the risks associated with chemical usage and disposal, avoiding depletion of the Earth's natural resources, and enhancing the safety and work environment for clients are core values of Brody Chemical.

ACID REPLACEMENT CLEANER REMOVES CALCIUM DEPOSITS

Acid Replacement Cleaner is a very powerful cleaning product that is completely safe and easy to use. This product replaces acids and acid blend cleaners to take care of a large variety of cleaning and maintenance problems. It is acid free, 100% biodegradable, non-toxic, safe, for the environment, non-corrosive, non-flammable and user friendly. Removes calcium deposits, soap scum, lime build-up, mildew, grease and other difficult soils.

AIR FRESHENER APPLE

This pleasant-smelling liquid deodorant is especially suited for use in enclosed areas where the control of odors and the reduction of airborne bacteria and viruses are important. It can also be used as a deodorant in and around toilets, garbage cans, disposals, closets, air conditioner filters, animal cages and all enclosed areas. Excellent for hotels, rest homes, hospitals, car dealerships, apartments, condos, and so on. This formula is concentrated and can be diluted 4:1 for further economy.

AIR FRESHENER CINNAMON

This pleasant-smelling liquid deodorant is especially suited for use in enclosed areas where the control of odors and the reduction of airborne bacteria and viruses are important. It can also be used as a deodorant in and around toilets, garbage cans, disposals, closets, air conditioner filters, animal cages and all enclosed areas. Excellent for hotels, rest homes, hospitals, car dealerships, apartments, condos, and so on. This formula is concentrated and can be diluted 4:1 for further economy.

AIR FRESHENER LEMON

This pleasant-smelling liquid deodorant is especially suited for use in enclosed areas where the control of odors and the reduction of airborne bacteria and viruses are important. It can also be used as a deodorant in and around toilets, garbage cans, disposals, closets, air conditioner filters, animal cages and all enclosed areas. Excellent for hotels, rest homes, hospitals, car dealerships, apartments, condos, and so on. This formula is concentrated and can be diluted 4:1 for further economy.

AIR FRESHENER MULBERRY

This pleasant-smelling liquid deodorant is especially suited for use in enclosed areas where the control of odors and the reduction of airborne bacteria and viruses are important. It can also be used as a deodorant in and around toilets, garbage cans, disposals, closets, air conditioner filters, animal cages and all enclosed areas. Excellent for hotels, rest homes, hospitals, car dealerships, apartments, condos, and so on. This formula is concentrated and can be diluted 4:1 for further economy.

AIR FRESHENER

POTPOURRI

This pleasant-smelling liquid deodorant is especially suited for use in enclosed areas where the control of odors and the reduction of airborne bacteria and viruses are important. It can also be used as a deodorant in and around toilets, garbage cans, disposals, closets, air conditioner filters, animal cages and all enclosed areas. Excellent for hotels, rest homes, hospitals, car dealerships, apartments, condos, and so on. This formula is concentrated and can be diluted 4:1 for further economy.

AIR FRESHENER AEROSOLS

FIVE FRAGRANCES

Brody Chemical's aerosol air fresheners are made from the highest quality perfume oils available. The blend of glycols and quaternary ammonium chlorides gives excellent control for unpleasant odors. These aerosols produce an extremely fine particle spray, providing a long-lasting, lingering fragrance without the fallout usually found in water based air fresheners. Non-toxic. Available in Cinnamon, Citrus Splash, Dutch Apple, Fresh Linen and Mulberry Breeze.

ALL PURPOSE CLEANER

SUPER CONCENTRATED

This product is a free-rinsing, neutral, non-toxic, all-purpose, synthetic liquid detergent. It is a concentrated, chemically balanced cleaner that first wets the soil by surrounding grease, grime and dirt. Second, it penetrates these soils and breaks them into small particles. Third, grease and oils are emulsified. Finally, soil-suspending ingredients float away dirt and grime, leaving a clean surface.

ALL PURPOSE CLEANER AEROSOL

HIGH-FOAMING

All Purpose Cleaner Aerosol is a high-foaming, clinging formulation, containing ammonia that instantly attacks and loosens dirt, fingerprints, smudges, oils and greases from most hard surfaces. It is non-abrasive and works especially well on painted surfaces, ceramic tile, porcelain and Formica. It is also excellent for leather, vinyl and plastic surfaces. Use in restaurants and food service operations. USDA approved.

BATHROOM CLEANER

CLEANS TILE, CHROME & BOWLS

This liquid formulation removes tough soap scum, water deposits, scale, lime, and other discolorations and deposits. Use on toilet bowls, shower walls, bathtubs, urinals, drinking fountains, washbasins, sinks, ceramic tile floors, washroom fixtures, and swimming pool tile. This product safely cleans and deodorizes all hard surfaces.

BOWL RING REMOVER

PUMICE STONE IN A BOTTLE

Bowl Ring Remover is a balanced formulation of powerful cleaning agents, which ensure effective, thorough cleaning in all restroom facilities. It is designed for initial clean up or for areas that are not maintained on a daily basis. This product is for removing soap scum, lime, calcium and other mineral deposits found in commodes, urinals, sinks, bathtubs and showers. Better than pumice stones, Bowl Ring Remover removes rings, rust and gray encrustations without scratching surfaces. It is also excellent for removing water spots and scale buildup from outside windows or brick

CARPET CLEANER

EXTRACTION CONCENTRATE

This product is a very powerful but safe carpet-cleaning liquid that emulsifies dirt and grime by stripping each carpet fiber clean as it treats with an anti-soilant, anti-static and carpet deodorizer. It contains an optical brightener to make carpeting appear bright as new. Carpet Cleaner is very concentrated and only a small amount is required to do a thorough job.

CARPET COMPOUND

CUTS COSTS BY 90%

This concentrated carpet cleaning powder can be used directly in a steam extractor or pre-sprayed on carpet with a carpet scrubber machine. Because of its powerful ingredients, it makes a great spot cleaner for carpets and upholstery when diluted at 2 oz. per gallon of water. Carpet Compound is a concentrated formulation of Brody Chemical's best selling Carpet Spotter Aerosol.

CARPET ENZYMES

DIGESTS ORGANIC STAINS

This product is a 4-strain, biological organism treatment that actually digests protein and organic stains with active bacteria-produced enzymes. Carpet Enzymes formulation contains 60 million enzyme producing bacteria per ounce. It is a versatile soil and stain remover and deodorizer for blood, urine, fecal matter, coffee, tea, wine, ink, Kool-Aid, pet odors and stains, cosmetics, vomit, and so on.

CARPET SPOTTER AEROSOL

MIRACLE PRODUCT

This aerosol is a powerful carpet stain and spot remover. It contains strong cleaners and degreasers to remove stains caused by dirt, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. Upside down spray valve produces a focused, concentrated stream allowing for easy, spot-on application without heavy over-spray.

CERAMIC TILE CLEANER

NON-ACID TILE/SHOWER CLEANER

Ceramic Tile Cleaner is formulated to surpass today's safety and environmental regulations. Powerful, natural, citrus-based degreasers and deodorizers safely outperform conventional, hazardous, solvent cleaners. This multi-purpose cleaner instantly emulsifies grease, oils and fats without the use of harsh acids, alkaline or petroleum solvents. Recommended for shower stalls and similar areas where soap scum and body oils accumulate leaving a dingy yellow film. Natural citrus fragrance.

CITRUS CLEANER

ECONOMICAL DEGREASER

This product is a heavy-duty, water-soluble, citrus-based cleaner and degreaser. It is safe and effective on all washable surfaces. Citrus Cleaner is ideal for removing soils such as grease, ink, mildew, oil and wax. It also contains a rust inhibitor to retard corrosion of metals. It is non-combustible, contains no hazardous ingredients, and gives off no dangerous fumes. This product is a true deodorizing cleaner and is an excellent choice for tires, floors, carpets, upholstery and shop tools.

CITRUS DEGREASER

ENVIRONMENTALLY SAFE

Ideal uses for this product include degreasing concrete floors, equipment, trucks, motors and metal surfaces. This product will remove most resins, adhesives, printing inks, decals, rubber tire marks, tar, asphalt and any other soils that can be removed by conventional solvent-based degreasers. This natural, citrus-based degreaser is excellent for taking Cosmoline off new car bumpers .

CITRUS DEGREASER AEROSOL

CONVENIENT, SAFE

This product is a new, trend setting formulation that keeps pace with today's safety and environmental regulations. Powerful, natural, citrus-based degreasers and deodorizers are specially blended to outperform the conventional hazardous solvent degreasers. This multipurpose aerosol instantly emulsifies grease, oils and fats without the use of harsh acids, alkalis or petroleum solvents. Citrus degreaser Aerosol is an excellent product for kitchen cleaning.

CLEAN AND BURNISH

VERY CONCENTRATED

Clean and Burnish deep-cleans and removes scratches, scuffs and heel marks from waxed floors. Use in place of other neutral cleaners, whenever floor needs to be burnished. Conditions surface with optimum response to high- or standard-speed burnishing equipment. Prolongs the life of the floor finish so fewer coats are necessary to keep finish at peak appearance. Very concentrated and economical. Dilute 2 oz. per gallon of water. Safe, easy to use and compatible with most floor finishes.

DEGREASER (WITH ENZYMES) CONTAINS BIOREMEDIATION ENZYMES

This product is a non-emulsifiable degreaser containing bioremediation enzymes. It cleans by dispersion, breaking the oil down into micro particles so it can be washed away. These microparticles immediately float the oil and debris back to the surface for removal from the wastewater. The enzymes actually consume the greases and oils during the cleaning process and continue to work long after the waste oil and greases are discarded. It is 100% biodegradable, water-soluble and contains no hazardous ingredients.

DISINFECTANT SPRAY AEROSOL PHENOLIC GERMICIDAL

This powerful, hospital-type disinfectant/deodorant acts quickly to control 14 disease organisms, including Pseudomonas aeruginosa, Tubercle bacilli, Staphylococcus aureus and the herpes Simplex Type 1 virus (the cause of cold sores in humans). In addition, it inhibits the growth of mold and mildew for 7 days on hard surfaces and 28 days on fabric. Disinfectant Spray Aerosol can be used as both a surface and space spray.

DISINFECTANT FOAM AEROSOL QUATERNARY GERMICIDAL

This water-based, hospital product contains no abrasives to damage porcelain surfaces. It cleans, disinfects and deodorizes in one easy step. No need to use a three-step method anymore. Staph, Salmonella, Pseudomonas and AIDS virus are killed on hard surfaces when used as directed. In addition to porcelain, this product can be used on such surfaces as tile, metal, stainless steel, bathtubs, walls and similar surfaces. Use this product in hospitals, nursing homes, hotels, motels, childcare centers, athletic clubs, and so on.

DISINFECTANT/SANITIZER BACTERICIDE AND VIRUCIDE

This liquid, quaternary germicidal is specially designed for restaurants, food processing plants, meat departments, bakeries, hospitals, dairies, bars and institutions where disinfection, sanitization and deodorization is of prime importance. Formulated to disinfect pre-cleaned, inanimate, hard surfaces such as walls, floors, sink tops, tables and chairs. USDA approved.

DURAPLUS FINISH EXCEPTIONAL BUFFABILITY

This ultra, high-water floor polish is a product of revolutionary chemistry; it is a breakthrough in technology expected to have an impact on the floor polish industry as great as the development of zinc cross-linking. Provides higher gloss and longer wear properties than conventional polymer based formulations, greatly decreasing the frequency of buffing and floor stripping operations. This product is a 24% solids thermoplastic floor finish.

EASY GREEN ENVIRONMENTALLY FRIENDLY

This product is concentrated for tough jobs or can be diluted for various cleaning tasks. Easy Green is a 100% biodegradable and environmentally friendly. It can be used on all washable surfaces.

FRESH N CLEAN

MULTI-PURPOSE CLEANER

This Multi-Purpose Cleaner cleans and leaves a long lasting pleasant fragrance. It leaves no residue, so rinsing is not necessary. This product is totally biodegradable, and works in any water temperature in hard or soft water leaving no film, scum or soap deposits. It will not harm any surface not harmed by water.

FRESH N CLEAN AIR FRESHENER

ELIMINATES ODORS

Bring a breath of fresh air to your facility with this light and airy fresh n clean scent. The delicate floral notes of lavender will remind you of the spring season as you rejuvenate and refresh all household items including clothing, fabrics, and furniture. Fresh N Clean Air Freshener will help eliminate tough odors and ward off unwanted smells providing a refreshing scent that will last for days.

FRESH N CLEAN HEAVY DUTY CLEANER

POWERFUL CLEANER

Fresh N Clean Heavy Duty Cleaner is a heavy duty spray and wipe cleaner. It is specifically formulated to remove grease, oil, encrusted soil, tire marks, ink, smoke, carbon film, heel marks, and more from a variety of surfaces. This powerful cleaner features a concentrated heavy duty formula that has a wonderful Fresh N Clean scent. Leaves surfaces looking and smelling clean. This powerful Heavy Duty Cleaner requires no rinsing, leaves no residue and is ideal for use on surfaces such as vinyl, stainless steel and other surfaces not harmed by water, including most walls, floors, kitchen equipment and more.

FRESH N CLEAN MULTI-PURPOSE CLEANER CONCENTRATE

ACTIVE INGREDIENTS ONLY

This product was developed to save money and shipping costs for our customers. Our regular product contains surfactants, detergents and emulsifiers. It also contains 89% water. Our chemists have developed a way to take out all of the water and leave just the active ingredients. By eliminating the water from a 55 gallon drum of our regular product, you end up with 6 gallons of active ingredients. By adding (11%) of raw materials to 49 gallons (89%) of water, you are actually making your own 55 gallon drum of product that can be diluted even further.

FRESH N CLEAN NON-ACID BATHROOM CLEANER W/PEROXIDE

COMPLETELY SAFE

Fresh N Clean Non-Acid Bathroom Cleaner is a very powerful cleaner that is completely safe and easy to use. This product replaces acids and acid blend cleaners to take care of a large variety of cleaning applications. It is ACID FREE, 100% biodegradable, not-toxic, safe for the environment, non-flammable and user friendly. This product quickly removes stubborn calcium deposits on shower walls and fixtures, soap scum, mildew, grease and other difficult to remove soils.

**FRESH N CLEAN NON-ACID BATHROOM
CLEANER SUPER W/PEROXIDE**

POWERFUL CLEANER

Fresh N Clean Non-Acid Bathroom Cleaner Super is a very powerful cleaner that is completely safe and easy to use. This product replaces acids and acid blend cleaners to take care of a large variety of cleaning applications. It is ACID FREE, 100% biodegradable, not-toxic, safe for the environment, non-flammable and user friendly. This product quickly removes stubborn calcium deposits on shower walls and fixtures, soap scum, mildew, grease and other difficult to remove soils.

**FRESH N CLEAN SUPER
MULTI-PURPOSE CLEANER**

TOTALLY BIODEGRADABLE

This Super Multi-Purpose Cleaner cleans and leaves a long lasting pleasant fragrance. It leaves no residue, so rinsing is not necessary. The product is totally biodegradable, and it works in hot or cold, hard or soft water with no film, scum or soap deposits. It will not harm any surface not harmed by water.

FURNITURE POLISH AEROSOL

FILLS IN MINOR SCRATCHES

Furniture Polish Aerosol is a superior polish and cleaner formulated with a blend of carnuba wax, lemon oil and cleaning agents. Polish, clean and dust in one operation. The thick emulsion fills in minor scratches and nicks so they blend in with the natural finish. Use on wood, Formica, metal and other non-porous surfaces.

GERMICIDAL BOWL CLEANER

DEODORIZES AND DISINFECTS

This product is designed to clean, disinfect and deodorize toilet bowls and urinals. This formulation exhibits effective disinfection against Salmonella choleraesuis, Staphylococcus aureus and Pseudomonas aeruginosa, in addition to preventing odors caused by microorganisms. It is also very effective for removing body fats, scale and mineral deposits on shower stalls, ceramic tile walls, floors and swimming pool areas.

GLASS & MULTI-SURFACE CLEANER

WILL NOT STREAK

This product quickly removes dirt, smudges, water spots, lipstick, hair spray etc., without streaking. It cuts cleaning costs for motels and hotels, hospitals, nursing homes, schools, churches, office buildings, stores, industrial facilities, car yards, taxi fleets, etc. It is excellent for all types of light duty cleaning, including Formica, Tile, Plastics, Stainless Steel, Aluminum, Wood, Plexiglas, Chrome and Painted Surfaces.

GLASS CLEANER AEROSOL

FAST-FOAMING ACTION

Fast foaming action quickly surrounds and lifts soils such as lipstick, oil, grease, bugs, dust, dirt and other foreign matter. This pleasantly scented cleaner works equally well on glass, metal and other non-porous surfaces. This exclusive formula dries rapidly, leaving a clean surface, free of streaks, with no hazy after-film. Best aerosol glass cleaner available.

GLASS AND MULTI SURFACE CONCENTRATE ONE QT = FIVE GAL

This product is a fast, easy-to-use glass cleaner and polish that quickly dissolves deposits of grease, dirt, smoke film, finger marks, lipstick, crayon, smudges and oil; then wipes away leaving a streak free surface. Glass Concentrate is fortified with a fantastic solvent type cleaner and ammonia to give great cleaning power without streaking. Dilute at least 16:1.

GYM FLOOR CLEANER WATERLESS/ODORLESS

This product is a waterless and odorless cleaner for use on all types of wood floors. Use Gym Floor Cleaner as the final step to remove any residue of oil, grease and soils before application of Gym Floor Finish. This product is recommended for use in schools, health clubs, YMCA's, municipal recreation departments, racquetball and handball facilities.

GYM FLOOR FINISH 40% SOLIDS

Gym Floor Finish is a long-lasting, abrasive-resistant, non-slip finish, which will not scratch or scuff and protects floor from water stains, oil and grease spills, detergents, salts, and everyday dirt. Designed for application to floors following sealer. This product contains 40% solids.

HAND CLEANER (WATERLESS) CONVENIENT TUBES

This product is a convenient way to keep hands clean out in the field where water is not available. Simply apply a little to the palm of your hand and rub briskly or wipe off with a rag or towel.

HARD SURFACE 40 AEROSOL ALL-WEATHER FORMULA

Hard Surface 40 Aerosol is a superb, all-weather, surface and glass cleaner. It is formulated with the same ingredients as a powerful degreaser, yet its penetrating foam is safe to use on windows, counter tops, furniture, tile, marble, porcelain, and car/truck windshields. Great for windows and automotive glass in cold temperatures.

HAIR AND BODY SHAMPOO COMPLETE BODYWASH

Our product is a mild, highly concentrated body and hair shampoo. The rich lather rinses thoroughly, leaving skin and hair feeling really clean. This product is perfect for health clubs, gyms, tennis and racquetball clubs, hotel and motel guest rooms and recreational facilities. Eliminates wasteful, messy bar soaps and makes clean-up of showers quick and easy. The high concentration means a little goes a long way and also produces a rich, stable lather to float soils away. May also be used in a foaming dispenser to help cut back on over usage.

HEAVY DUTY CLEANER

SUPER CONCENTRATED

Heavy Duty Cleaner represents the latest technology in concentrated heavy-duty cleaning liquids. This fast acting formulation quickly penetrates and emulsifies the toughest industrial and institutional soils. This product is ideally suited for cleaning a wide variety of soil types from most hard, durable surfaces without leaving any sticky, filmy residue. Heavy Duty Cleaner is a great choice for use with pressure washers, steam cleaners, floor scrubbers and manual mopping operations.

ICE BEATER

SNOW AND ICE MELTER

Ice Beater is a unique blend of ice melting agents, including exothermic pellets. These ingredients combine to produce a safe, efficient and cost-effective ice melting product at temperatures ranging from 32° F down to -5° F. Through a chemical reaction the exothermic pellets give off heat which enables this formulation to work much faster than other sodium-chloride-based snow and ice melters. Available in bags or containers of 10, 20, 50, 100, 500 and 2,000 pounds.

ICE MACHINE DESCALER

DISSOLVES WATER DEPOSITS

Ice Machine Descaler is a liquid product that cleans and dissolves water scale deposits in ice machines, simplifying the cleaning process. Spray it on and allow for minimal contact time to easily flush water deposits away. This product has been recommended by manufacturers for use on Scotsman, Minitowoe, Sunbeam, Vogt, Howe and other ice making machines. USDA APPROVED.

ICE MELTER

GENERATES EXOTHERMIC HEAT

This product has over 24 times the melting power of rock salt at 0° F. Tests conducted at 100% relative humidity and 0° F, showed that this product melted an average of 205 grams of ice in just 15 minutes, compared to an average of 8.7 grams melted by rock salt. Ice Melter has 24 times more melting power than rock salt and is effective at melting ice down to -57° F. This product is completely harmless to grass, shrubs, trees, animals and rubber tires. It will not pit or discolor concrete walks or asphalt.

KITCHEN DEGREASER

INDUSTRIAL STRENGTH

This product is a heavy-duty, water-soluble degreaser. It is safe and effective on all washable surfaces for removing soils such as carbon, creosote, dyes, grease, ink, mildew, oil and wax. The formulation also contains a rust inhibitor to retard corrosion of metals. Fireproof, acid-free and gives off no dangerous fumes. Industrial Degreaser is very concentrated and can be diluted up to 20:1 with water for greater economy.

LEMON DISINFECTANT

PLEASANT LEMON FRAGRANCE

This product is a proven one-step cleaner, disinfectant, sanitizer, fungicide, mildew-stat, and virucide in the presence of moderate amounts of organic soil. It is an effective fungicide against trichophyton mentagrophytes (athlete's foot fungus) when used on surfaces in areas such as locker rooms, dressing rooms, shower and bath areas, exercise facilities, and so on. Wonderful for restroom and kitchen cleaning and sanitizing. Apply this product to walls, floors and other hard, inanimate, non-porous surfaces such as tables, chairs, countertops, sinks and bed frames.

LIQUID HAND SOAP

PLEASANT FRAGRANCE

Our liquid hand soap is formulated with 100% natural ingredients and scrubbing agents that will not dry out or crack skin. The natural ingredients used in this product have been pH adjusted for mildness without sacrificing cleaning power.

LIQUID LIVE BACTERIA

INSTANT ODOR CONTROL

A convenient liquid form of living bacterial suspension to promote the decomposition of organic matter, grease, fats, carbohydrates, and sewer wastes without the use of harmful acids, alkalis or solvents. This product is recommended for use in bathrooms, urinals, grease traps, drain lines, recreational vehicles, mobile home parks, and other similar facilities. Use Liquid Live Bacteria as a regular maintenance product to prevent and reduce the occurrence of urine smells and drain clogging.

MOLD & MILDEW STAIN REMOVER REMOVES STUBBORN STAINS

Mold and Mildew Stain Remover removes stubborn stains from ceramic tile, grout and fiberglass. Not recommended for use on marble, metal, faucets, Formica, vinyl, natural stone or painted surfaces. Spray or mop on surface; allow a few minutes of contact time, but do not allow to dry; rinse away stains.

NON-BUTYL DEGREASER

SCIENTIFIC BREAKTHROUGH

Non-Butyl Degreaser is the result of a technological breakthrough. This nonbutyl formulation is so unique it is actually patented. This remarkable degreaser removes greasy, oily dirt better than butyl cellosolve and it is safe to use. Unlike butyl formulations, this product emulsifies oil and grease for complete removal. This concentrated degreaser is an excellent choice for the automotive and large equipment industries.

ODOR COUNTERACTANT

SMOKE/PET/VOMIT/URINE

This concentrated, water-soluble deodorant is useful for hundreds of applications and has proven highly effective in eliminating offensive odors. Use daily in hospitals, nursing homes, hotels, kitchens, refuse areas, restrooms, and other industrial areas. Safe to use on all surfaces not harmed by water. Removes odors associated with smoke, pets, vomit, urine, mustiness, food, and so on. Dilution ratios may vary depending upon the source and concentration of odors.

OVEN AND GRILL CLEANER (PINK FURY)

BAKED-ON GREASE

This product was developed to clean and degrease areas where food is prepared, consumed or handled. Oven Cleaner is non-flammable, biodegradable, noncorrosive and non-toxic in diluted strength. It removes all soil types, by chemical emulsifying and dissolving grease, grime, carbon and dirt. It contains a special rust inhibitor for protection of iron and steel.

OVEN CLEANER

REMOVES BAKED-ON GREASE

This product was developed to clean and degrease areas where food is prepared, consumed or handled. Oven Cleaner is non-flammable, biodegradable, noncorrosive and non-toxic in diluted form. It contains a special rust inhibitor for protection of iron and steel. Oven Cleaner removes all soil types, by chemically emulsifying and dissolving grease, grime, carbon and dirt. This unique product removes carbon, grease, grime, dirt, candy and coffee stains, fruit and food stains, liquor, lipstick, milk, oil, rust, soap scum, syrup, tea, tobacco, wine, and so on. USDA approved.

OVEN CLEANER AEROSOL

HEAVY-DUTY FORMULA

Oven Cleaner Aerosol's heavy-duty formula cleans fast and effectively in both warm and cold ovens. Works equally well on pots, pans, french fry baskets, rotisseries, outdoor grills, and cleans stainless steel to a bright new luster. This aerosol is convenient, easy to use and excellent for quick cleanup in all restaurants and other areas where food is prepared.

PEROXIDE CITROX

POWER OF CITRUS & PEROXIDE

One product. Two dilutions. 95% of general cleaning. Use it for streak free glass cleaning, deodorizing, bathroom cleaning, table tops, hard floors, degreasing, kitchen cleaning, mopping, auto scrubbing, stainless steel polish & cleaner, carpet cleaning & spotting and much much more. This product is non-toxic, biodegradable, non-VOC and contains hydrogen peroxide.

PEROXIDE SYNERGY

NATURE & PEROXIDE

Peroxide Synergy is a very powerful cleaner that is hydrogen peroxide based, completely safe and easy to use. This product replaces acids and acid blend cleaners to take care of a large variety of cleaning applications. It is ACID FREE (low pH), 100% biodegradable, non-toxic, safe for the environment, non-flammable and user friendly. This product quickly removes stubborn calcium deposits on shower walls and fixtures, soap scum, mildew, grease and other difficult to remove soils. Achieve a fresh healthy clean without the harshness of bleach. Peroxide Synergy uses a hydrogen peroxide formula that releases thousands of micro bubbles to dissolve grease and soap scum. No gloves or mask needed to clean. Use this product on most water washable restroom surfaces.

POLAR ICE MELT

BREAKS THE ICE BARRIER

This unique ice melt formula provides a faster, safer, more effective method of melting snow and ice in temperatures ranging from 32° F. down to 5° F. Polar Ice Melt contains special inhibitors to prevent damage to vegetation and concrete. It also contains an anti-caking agent, which extends shelf life and allows for freeflow uniform spreading. It is colored light blue for easy monitoring of application. Available in bags or containers of 10, 20, 50, 100, 500 and 2,000 pounds.

PROTECTIVE COATING

MICROSCOPIC SILICONE SPRAY

This product dries and buffs within minutes to a clear, streak-free finish. Guards surfaces against dust, finger marks, smudges, build-up, film, water spots and pollution fallout. Resists scratching, marking and soil accumulations. Imparts water repellency, luster and nonsoiling qualities to treated surfaces. Odorless, safe. Effective in hot or cold weather. Use on glass, vinyl, Formica, tile, mirrors, leather, chrome, plastic, Plexiglas, painted surfaces, etc.

PROTECTIVE SHIELD

PROTECTS AND BEAUTIFIES

Protective Shield penetrates, protects and beautifies most rubber, vinyl, plastic, finished leather and wood surfaces in good, clean condition around the garage, house and office. Use on items such as tires, vinyl tops, dashboards, seats, luggage, sporting goods, hoses, shoes, handbags, jackets, furniture and cabinets. This product guards against ozone, ultraviolet rays and oxygen that crack, dull, harden or rot these materials. It makes surfaces anti-static to repel dust and dirt.

RECONDITIONING CRÈME

HEALS DERMATITIS

This super aloe Reconditioning Crème was specifically formulated for dry skin caused by overexposure to the sun, wind, and severe outdoor climates. This formula contains 50% more Aloe Vera Gel, Jojoba Oil, and precious Mink Oil than any other products on the market. This extra strength formula protects and heals peeling, flaking, and dry skin. It provides soothing relief to people who suffer from the pain of dermatitis.

RTU ALL PURPOSE CLEANER

NEUTRAL DETERGENT

Ready-to-Use All Purpose Cleaner is a free-rinsing, neutral, non-toxic, all-purpose, synthetic, liquid detergent. It is a chemically balanced detergent that first wets the soil by surrounding grease, grime, and dirt. Second, it penetrates these soils and breaks them up into small particles. Third, greases and oils are emulsified. Finally, soil suspending ingredients float away dirt and grime leaving a clean surface.

RTU CITRUS DEGREASER

ENVIRONMENTALLY SAFE

Ready-to-Use Citrus Degreaser is formulated to surpass today's safety and environmental regulations. Powerful, natural, citrus-based degreasers and deodorizers safely out-perform conventional, hazardous, solvent cleaners. This multi-purpose concentrate instantly emulsifies grease, oils and fats without the use of harsh acids, alkaline or petroleum solvents. This organic citrus extract is an effective drain cleaner and maintainer and deodorizes effectively even under the worst conditions. 100% biodegradable.

RTU GLASS CLEANER

WILL NOT STREAK

Ready-to-Use Glass Cleaner quickly removes dirt, smudges, water spots, lipstick, hairspray and so on, without streaking. It cuts cleaning costs for motels and hotels, hospitals, nursing homes, schools, churches and office buildings. It is excellent for all types of light-duty cleaning, including Formica, tile, plastics, stainless steel, aluminum, wood, Plexiglas, chrome and painted surfaces. Cleans and polishes windows, doors, mirrors, windshields and display cases.

SANITIZING HAND GEL

MEETS OSHA STANDARDS

Sanitizing Hand Gel has been developed to meet OSHA standards for blood-borne pathogens. It is used to sanitize between hand washings in areas where blood contamination is possible such as hospitals, nursing homes, care centers, emergency rooms, ambulances, police vehicles, jails, and so on. It is also recommended to be used in all food processing and food service areas such as packing plants, dairy farms, restaurants, and so on. USDA approved.

SC AIR FRESHENERS

DILUTES 12:1

Super Concentrated Air Fresheners were developed to save money and shipping costs for customers. By eliminating all of the water from the original Air Freshener formulation, one gallon of pure active ingredients remains, producing this super concentrated gallon that should be diluted up to 12:1 with water. Available In Creamsicle, Honey Mist, Lemon, Mulberry, Potpourri, Spearmint and Vanilla.

SCALE AND STAIN REMOVER

PLEASANT FRAGRANCE

This product has been developed to be safe, yet very effective at removing stubborn stains, soap scum and hard-water deposits from porcelain and fiberglass, shower stalls, tubs, tile, grout and stainless steel fixtures. Scale and Stain Remover may be used full strength on toilets, showers, sinks, tubs, drinking fountains, urinals, glass and plastic shower doors and chrome fixtures. It has a very pleasant lime fragrance.

SPARKLE CLEAN

NON-ACID BATHROOM CLEANER

This non-acid bathroom cleaner uses the power of natural citrus to remove soap scum, dirt, grime and light calcium deposits. The cleaner will leave your bathroom citrus fresh and is safe to use on all surfaces.

STAINLESS POLISH AEROSOL

LEAVES A BRILLIANT SHINE

Stainless Polish Aerosol has been formulated to clean and polish all types of stainless steel without leaving a greasy film. This convenient aerosol produces a light foam that clings to vertical surfaces, soaks and penetrates dirt, grease, fingerprints, and so on. With minimum wiping, the stainless steel surface will have a brilliant shine.

TOILET BOWL CLEANER

THICK CHEMICAL ACTION

This product is a balanced formulation of powerful, cleaning agents that ensure effective, thorough cleaning in all restroom facilities. Its thick chemical action clings to vertical surfaces, penetrating and dissolving mineral and scale deposits for easy removal. Toilet Bowl Cleaner is also very effective for removing body fats, scale and mineral deposits on shower stalls, ceramic tile, walls, floors and swimming pool areas.

TUB & TILE CLEANER

CLEANS AND DEODORIZES

This product leaves bathrooms clean, bright and sanitary. Tub & Tile Cleaner sanitizes and easily cuts through soap scum, dirt and grime on sinks, toilets, bathtubs, shower walls and floors. No rinsing is necessary. Dissolves water spots and scale build-up on chrome fixtures, water fountains, outside windows, glass, porcelain, tile, brick, rubber, plastic and most painted surfaces.

VANDAL MARK REMOVER

WIPE MARKS OFF

This product is a special blend of cleaners and solvents formulated to remove stubborn marks such as spray paints, marking inks, crayons, lipstick, road tar, stencil inks, other solvent and oil based stains from horizontal and vertical non-porous surfaces. Use on bus lines, signage, amusement parks, phone booths, bathroom stalls, and so on.

WASP AND HORNET SPRAY

KILLS ON CONTACT

This wasp and hornet killer contains a combination of pyrethrins plus synergists, a carbonate type insecticide and special insecticide-based oils. This spray is fast acting when insects are hit directly, and has a special valve to give a broad jet stream of up to 20 feet. Wasp, hornet and yellow jacket nests can be wet thoroughly in seconds. The inclusion of a residual insecticide in the formula continues the killing action (in protected areas) for several weeks after the nests have been sprayed. The product is nonconductive up to 41,000 volts. A nice aerosol to have around when you find yourself "face-to-face" with a hornets nest at the top of a telephone pole or when you need to "attack" a nest without getting too close.

WAX EMULSIFIER

REVOLUTIONARY STRIPPER

Wax Emulsifier totally re-emulsifies all modern floor finishes. Once applied to the surface, it transforms the floor finish back to its original liquid state, enabling easy pickup using a wet vacuum. This method makes stripping much easier and faster than conventional methods using mops and wax stripping pads.

WAX STRIPPER

FLOOR CLEANER, WAX REMOVER

This product is specially formulated to remove any detergent-resistant floor finish and sealer. Wax Stripper cleans resilient floors, tile, terrazzo, concrete, marble, and so on. Removes dirt, grease, and oils as well as unsightly wax build-up and most floor polishes. This is an excellent product for cleaning baseboards.
